

Traffic Pattern for Student Drop-Off 2026-2027

Important Guidelines

The doors of Orton Academy will not open until 8:00 AM. Please remember that Trailblazer Elementary starts its school day earlier than ours.

Orton students are not allowed inside the building before 8:00 AM.

Avoid parking in the staff lot during drop-off to ensure space for staff. Thank you for your cooperation.

Drop-Off Procedures

- **Use Designated Lanes:** Please pull forward into the Front or West Kiss-n-Go lanes for drop-off. Avoid leaving your student in the middle of the driving lane or parking lot.
- **Passenger Side Only:** Make sure your child exits the vehicle solely on the passenger side, directly onto the curb.
- **Pull All the Way Forward:** Advance to the furthest available spot along the curb before allowing your child to exit.
- **Merging Safely:** Wait until your student is safely on the sidewalk, then signal and merge into the left lane to depart.
- **Avoid Fire Lanes & Driveways:** Please refrain from parking or waiting in fire lanes or blocking neighborhood driveways.
